16. Cost-Saving Concepts

**Description of Idea - How has this idea enhanced your club's operation, etc.?**

The thought to convert a small patch of grass outside of our kitchen doors into a small micro-greens garden began as a way to lower food costs. Using Hampton Hall grown micro-greens has saved the Club almost \$300 monthly.

**How was this idea implemented and what have been the club members' reactions?**

The Hampton Hall Club community has been overjoyed with our micro-greens. Upcoming growth to our garden will include a few citrus trees.
