### Description of Idea - How has this idea enhanced your club's operation, etc.?

At Hampton Hall Club, all of this year's holiday celebrations were updated to include the best social distancing practices. After participating as a walker, rider, or spectator in the masked parade through the community, members were invited to a special brunch with Santa. Pictures with Santa were available at 6 feet social distance in front of the fireplace and children who were waiting for photos were able to write Letters to Santa at their assigned tables.

### How was this idea implemented and what have been the club members' reactions?

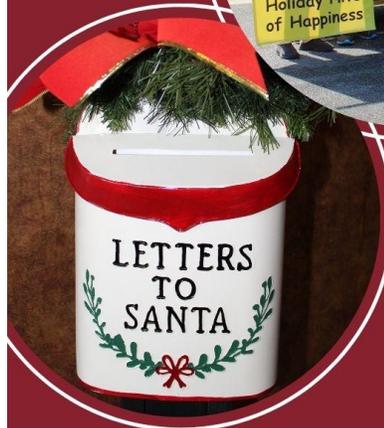

Required to wear masks until the moment of the picture and safely separated from family groups, Santa thoroughly enjoyed talking with all of the members and their families. Santa responded to each child who wrote him a letter by writing an individual letter to each child after the event.
